PHYSICAL EDUCATION REQUIREMENT

One semester of physical education is required in grades 6, 7, or 8. This requirement may be waived if a student is enrolled or required to enroll in a remedial course, if the student's parent indicates in writing a request that the student enroll in another course, or that the student is participating in physical activity outside the school day which are equal to or in excess of the mandated requirement. Parents are to be notified of the waiver options before scheduling the student to participate in physical education. Students may elect additional physical education courses.
